EDUCATION

CDAC Sunbeam *Pune*
Post Graduate Diploma in Computer Applications February 2025 – August 2025

Savitribai Phule Pune University *Nashik*
Bachelor of Engineering (Computer Engineering) April. 2020 – April 2024

EXPERIENCE

Tech Mahindra (Associate Software Engineer)
Aug 2024– Nov 2024

- Participated in structured technical knowledge-transfer sessions as part of project onboarding.
- Developed an understanding of enterprise application environments and production-support processes.
- Gained familiarity with IT service-management workflows, incident tracking and project documentation.

Cognifront (Intern)
Jan 2023 – Feb. 2023

- Developed a mini-project using Java, Springboot and Web Technologies.
- Worked through the development, testing, and debugging stages of the project.
- Applied programming concepts including OOP , SQL, database connectivity during project development.

PROJECTS

Event Management System

- Designed and developed a full-stack web application to manage event planning and execution with role-based access for Admin, Manager, Employee, and Customer.
- Features include secure login, user and task management, event booking, venue and catering assignment, PDF generation, and payment integration.
- Used React for frontend, Spring Boot for backend APIs, and MySQL for database.

Image Retrieval of Multispectral Satellite Images

- Developed an image retrieval system for multispectral satellite imagery using image-processing and deep-learning techniques.
- Applied Convolutional Neural Networks (CNNs) using TensorFlow for automated feature extraction and image analysis.
- Evaluated model performance using Precision, Recall and F1-score.

SKILLS

Strong Problem-Solving and Debugging Abilities, Effective Communication Skills, , Core Java, JDBC, Servlets, JSP, Hibernate/JPA, Spring, Spring Boot, MySQL, ERP Platforms
